Dedication

One of the most important responsibilities of senior Reflector members is choosing to whom the yearbook will be dedicated. We felt that the person we chose should be friendly, outgoing and high-spirited to represent the character of our senior class. The person we felt most effectively conveyed this feeling is Stanley Mish. Whether you're in seventh grade or twelfth, chances are you've had some contact with Mr. Mish. His presence was sorely missed at the football games this year. It was, of course, impossible for him to be there because he had suffered a heart attack in August. Fortunately, he was well enough to be back at school for the Christmas concert.

Mr. Stanley Mish

In addition to being the music teacher here at FAHS, Mr. Mish is also the director of the band and chorus. He is the director of his church choir, as well. He entertains us during his concerts not only with the music, but with his dancing and singing. Anyone who has ever seen him dance to "Night Train" when the Stage Band is performing will not soon forget it. For all of his patience, friendliness, and sense of humor, we would like to say "thank you."

MOTTO:

IF YOU CAN IMAGINE IT, YOU CAN ACHIEVE IT.
IF YOU CAN DREAM IT, YOU CAN BECOME IT.

When things are confused
I discuss them with you
until they make sense

When something good happens
you are the first person I tell
so I can share my happiness

When I don't know what to do in a situation
I ask your opinion
and weigh it heavily with mine

When I am lonely
I call you
because I never feel alone with you

When I have a problem
I ask for your help
because your wisdom helps me to solve it

When I want to have fun
I want to be with you
because we have such a great time together

When I want to talk to someone
I always talk to you
because you understand me

When I want the truth about something
I call you
because you are so honest

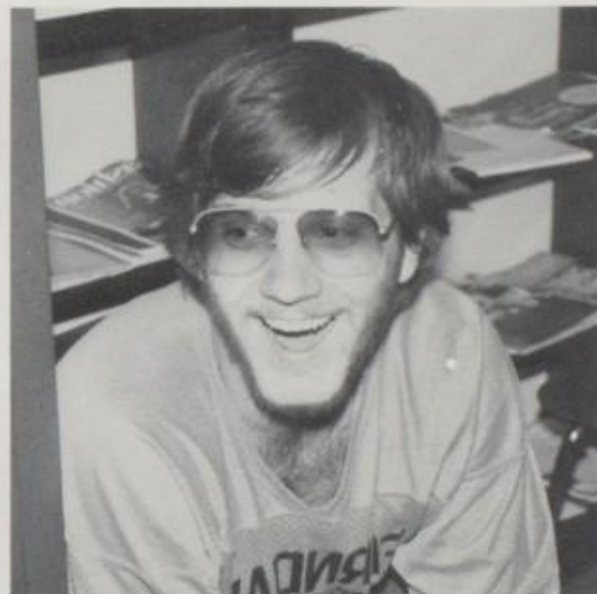

It is so essential
to have you in my life
Thank you for being my friend

TO ALL SENIORS:

We've scanned the past yearbooks with anticipation of that "big year," our senior year. The time is here and many of us wish this "big year" would have not come so soon.

Since it has, we, the REFLECTOR staff, have tried to bring together all those special moments we have shared this year.

Ferndale Area High School has been a big part of our just-beginning lives. To all seniors, we wish the best, and, whenever you think of your high school days, look back to 1985—the best times of our lives.
